Along with all of the classic and European motorcycle magazines GP carries, we now carry Cycle News, a weekly publication dedicated to bringing you the week's motorcycle happenings.

This will give you an excuse to drop in once a week.

We have an abundant supply of GP t-shirts and caps, embroidered and printed with your favorite marque. Our consignment leather department has some interesting items as well.

We've recently acquired the basis for our first GP Race Bike. It's a 1966 Norton 750 Atlas, Norton's Featherbed-framed 750 twin. It's a rough start but a start, nonetheless.

This month's ride will be on Sunday the 29th, meeting as usual, at GP at 9:30 for coffee and donuts, then leaving at 10:30. The destination will be announced that morning.

We recently received a large shipment of Norton parts, to attend to your immediate parts needs. We are also continuing to build-up our parts inventories for BMW, Ducati and MOTO GUZZI.

Special thanks to John MacMillan for the exceptional wiring work in the service department.
